HI TO ALL

MARGATE HAS COME AND GONE AND A GOOD TIME WAS HAD BY ALL. JUST TO MENTION AND THANK THE FOUR FEMME RIDERS NAMEDLY LUCIA, LIZ, MICHELLE AND SHEILA WHO RODE WITH THE PACK OF ABOUT TWELVE BIKES LEAVING MARGATE AT 7 SHARP.

WE WERE LED BY OUR VICE BRUCE WHO LED THE PACK THE WAY A PACK SHOULD BE LED. BREAKFAST LUNCH AND EXTRA PETROL STOPS AS THE INDIAN NEEDS MORE GAS DUE TO ITS TANK.

WE HIT JHB AT 3 AND IN ALL THAT TIME THE RIDERS WERE IN THE SAME POSITION AS WHEN THEY LEFT - - EXCEPT HOWIE WHO SHOT PAST ONCE OR TWICE TO LEAD A COP CAR THAT PASSED US.

I THANK YOU ALL FOR MAKING STEELWINGS JHB THE LARGEST OUTSIDE CLUB IN MARGATE.

I WISH OUR NEW MEMBER WILLY A SPEEDY RECOVERY, SO HE CAN JOIN IN THE JOL AND TO ANTHONY WHO I HEARD HAD A MISSHAP

JOHANNESBURG

Interesting Stuff

Particularly during the current adverse weather and terrible road conditions that we have in this country at this time of year, please be aware of the condition and fit of your safety gear! Your jacket,

boots, jeans, helmet and gloves are usually the only thing between you and the road so ensure they are in good condition and fit properly, and are the best you can get, A sturdy riding jacket protects your upper body and arms against perpetual road demands, whether it's wind, sun, bugs, or debris. Look for jackets with venting, removable liners, action backs, and more to enhance your ride. MotorCloths® jackets boast quality leather or performance fabrics and offer special features for rider comfort and protection. They put their jackets through a tough battery of tests to make sure they hold up against whatever the road throws your way. And, most styles are available in extended styles. Invest also in good rain gear. Whatever the choice make sure you are properly protected.

Your life may depend on it!

He Said To Me!

He said to me I don't know why you wear a bra; you've got nothing to put in it.
I said to him You wear pants don't you?

He said to me Shall we try swapping positions tonight?
I said. That's a good idea - you stand by the stove & sink while I sit on the sofa and do nothing but fart.

He said to me.....What have you been doing with all the grocery money I gave you?
I said to himTurn sideways and look in the mirror!

He said to me.....Why don't women blink during foreplay?
I said to himThey don't have time.

He said to me.....How many men does it take to change a roll of toilet paper?
I said to himI don't know; it has never happened.

He said to me.....Why is it difficult to find men who are sensitive, caring and good-looking?
I said to him.....They already have boyfriends.

He said....What do you call a woman who knows where her husband is every night?
I said.....A widow.

He said to me....Why are married women heavier than single women?
I said to him.....Single women come home, see what's in the fridge and go to bed.

Married women come home, see what's in bed and go to the fridge.

TILL NEXT TIME...
